**GLOBAL NOTES, METHODOLOGY AND SPECIFIC  
DISCLOSURES REGARDING THE DEBTORS' SCHEDULES OF  
ASSETS AND LIABILITIES AND STATEMENTS OF FINANCIAL AFFAIRS**

**Introduction**

Hobbico, Inc. and its above-captioned affiliated debtors and debtors in possession (each, a “Debtor” and collectively, the “Debtors,” and the Debtors together with their non-debtor subsidiaries and affiliates, the “Company”), with the assistance of their professional advisors, have filed their respective Schedules of Assets and Liabilities (the “Schedules”) and Statements of Financial Affairs (the “SOFAs” or “Statements” and, together with the Schedules, the “Schedules and Statements”) with the United States Bankruptcy Court for the District of Delaware (the “Bankruptcy Court”), pursuant to section 521 of title 11 of the United States Code (the “Bankruptcy Code”) and Rule 1007 of the Federal Rules of Bankruptcy Procedure (the “Bankruptcy Rules”).

These Global Notes, Methodology and Specific Disclosures Regarding the Debtors’ Schedules and Statements (the “Global Notes”) pertain to, are incorporated by reference in, and comprise an integral part of all the Schedules and Statements. The Global Notes should be referred to, considered, and reviewed in connection with any review of the Schedules and Statements.<sup>2</sup>

The Schedules and Statements do not purport to represent financial statements prepared in accordance with generally accepted accounting principles in the United States (“GAAP”), nor are they intended to be fully reconciled with the financial statements of the Debtors. Additionally, the Schedules and Statements contain unaudited information that is subject to further review and potential adjustment.

<sup>1</sup> The Debtors in these chapter 11 cases, along with the last four digits of each Debtor’s federal tax identification number, are as follows: Hobbico, Inc. (9545); Arrma Durango Ltd (UK Company reference #07865134); Axial R/C Inc. (0233); Estes-Cox Corp. (2196); Great Planes Model Manufacturing, Inc. (5259); Revell Inc. (8545); Tower Hobbies, Inc. (5185); and United Model, Inc. (5302). The Debtors’ headquarters are located at 2904 Research Road, Champaign, Illinois 61822.

<sup>2</sup> These Global Notes are in addition to any specific notes contained in each Debtor’s Schedules or SOFAs. The fact that the Debtors have prepared a “General Note” with respect to any of the Schedules and Statements and not to others should not be interpreted as a decision by the Debtors to exclude the applicability of such General Note to any of the Debtors’ remaining Schedules and Statements, as appropriate.

In preparing the Schedules and Statements, the Debtors relied upon information derived from their books and records that was available at the time of such preparation. Although the Debtors have made reasonable efforts to ensure the accuracy and completeness of such financial information, inadvertent errors or omissions, as well as the discovery of conflicting, revised, or subsequent information, may cause material changes to the Schedules and Statements. Although reasonable efforts have been made to prepare and file complete and accurate Schedules and Statements, inadvertent errors or omissions may exist. Accordingly, the Debtors reserve all of their rights to amend, supplement, or otherwise modify the Schedules and Statements as is necessary and appropriate. Notwithstanding the foregoing, the Debtors shall not be required to update the Schedules and Statements.

The Debtors' management prepared the Schedules and Statements with the assistance of their advisors and other professionals. Tom S. O'Donoghue, Jr. has signed the Schedules and Statements. Mr. O'Donoghue is Chief Restructuring Officer of Hobbico, Inc., and an authorized signatory for the Debtors. In reviewing and signing the Schedules and Statements, Mr. O'Donoghue necessarily has relied upon the efforts, statements and representations of the Debtors' advisors and various personnel employed by the Debtors. Mr. O'Donoghue has not (and could not have) personally verified the accuracy of each statement and representation contained in the Schedules and Statements, including statements and representations concerning amounts owed to creditors, classification of such amounts and creditor addresses.

**The Schedules, SOFAs and Global Notes should not be relied upon by any person for information relating to current or future financial conditions, events or performance of any of the Debtors. Due to numerous unliquidated, contingent, and/or disputed claims, summary statistics in the Schedules, SOFAs, and Global Notes are likely not an accurate representation of the Debtors' liabilities.**

### **Global Notes and Overview of Methodology**

#### **1. Reservation of Rights.**

The Debtors reserve all rights to amend, supplement or otherwise modify the Schedules and Statements from time to time, in all respects, as may be necessary or appropriate, including, without limitation, the right to amend the Schedules and Statements with respect to a claim (including, but not limited to, amending the description or designation of any claim; disputing or otherwise asserting offsets or defenses to any claim reflected in the Schedules and Statements as to amount, liability, priority, status or classification; subsequently designating any claim as "disputed," "contingent" or "unliquidated;" or objecting to the extent, validity, enforceability, priority or avoidability of any claim). Any failure to designate a claim in the Schedules and Statements as "disputed," "contingent," or "unliquidated" does not constitute an admission by the Debtors that such claim or amount is not "disputed," "contingent," or "unliquidated." Listing a claim does not constitute an admission of liability by the Debtors. Notwithstanding the foregoing, the Debtors shall not be required to update the Schedules and Statements.

Further, nothing contained in the Schedules and Statements shall constitute a waiver of rights or an admission with respect to the chapter 11 cases, including, without limitation, with

respect to matters involving objections to claims, substantive consolidation, equitable subordination, defenses, characterization or re-characterization of contracts, assumption or rejection of contracts under the provisions of chapter 3 of the Bankruptcy Code, and/or causes of action arising under the provisions of chapter 5 of the Bankruptcy Code or any other relevant applicable laws to recover assets or avoid transfers. Any specific reservation of rights contained elsewhere in the Global Notes does not limit in any respect the general reservation of rights contained in this or the preceding paragraph.

2. **Description of Cases and “as of” Information Date.** On January 10, 2018 the seven Original Debtors<sup>3</sup> filed voluntary petitions for relief under chapter 11 of the Bankruptcy Code. On January 26, 2018 (together with January 10, 2018, the “Petition Dates”), Arrma Durango Ltd. (“ADL”) filed a voluntary petition for relief under chapter 11 of the Bankruptcy Code. The Debtors are operating their business and managing their properties as debtors-in-possession pursuant to Bankruptcy Code sections 1107(a) and 1108. On January 11, 2018, the Bankruptcy Court entered an order (Docket No. 41) providing for the joint administration of the Original Debtors pursuant to Bankruptcy Rule 1015(b). On January 30, 2018, the Bankruptcy Court entered an order (Case No. 18-10158; Docket No. 10) providing for the joint administration of ADL with the Original Debtors pursuant to Bankruptcy Rule 1015(b).

On January 22, 2018, the United States Trustee for the District of Delaware appointed a statutory committee of unsecured creditors pursuant to Bankruptcy Code section 1102(a)(1). (Docket No. 91) and on January 22, 2018, filed a revised notice of the same (Docket No. 92).

The asset information provided herein, except as otherwise noted, represents the asset data of the Debtors as of the Petition Dates, and the liability information provided herein, except as otherwise noted, represents the liability data of the Debtors as of the Petition Dates. As more fully described in Section 16 below, the Debtors were required to make certain estimates and assumptions that affect the reported amounts within the Schedules and Statements.

3. **Basis of Presentation.** The totals listed in the Schedules and Statements may not be comparable to the Company’s consolidated financial reports prepared for public reporting purposes or otherwise as these reports include Hobbico, Inc. and each of its subsidiaries, some of which are not Debtors in these proceedings. Although these Schedules and Statements may, at times, incorporate information prepared in accordance with GAAP, the Schedules and Statements neither purport to represent nor reconcile to financial statements otherwise prepared and/or distributed by the Debtors in accordance with GAAP or otherwise. Additionally, the Schedules and Statements contain unaudited information that is subject to further review and potential adjustment. The Debtors reserve all rights to amend these Schedules and Statements.

4. **Recharacterization.** Notwithstanding the Debtors’ reasonable efforts to properly characterize, classify, categorize and designate certain claims, assets, contracts, leases and other items reported in the Schedules and Statements, the Debtors may nevertheless seek to recharacterize, reclassify, recategorize, redesignate, add or delete items. Accordingly, the Debtors reserve all of their rights to recharacterize, reclassify, recategorize, redesignate, add or delete items

reported in the Schedules and Statements at a later time as is necessary or appropriate as additional information becomes available, including, without limitation, whether contracts or leases listed in the Schedules and Statements were deemed executory or unexpired as of the Petition Dates and remain executory and unexpired postpetition.

5. **Liabilities.** The Debtors have sought to allocate liabilities between the prepetition and postpetition periods based on the information and research conducted in connection with the preparation of the Schedules and Statements. As additional information becomes available and further research is conducted, the allocation of liabilities between the prepetition and postpetition periods may change. Accordingly, the Debtors reserve all of their rights to amend, supplement or otherwise modify the Schedules and Statements as is necessary or appropriate.

The liabilities listed on the Schedules do not reflect any analysis of claims under Bankruptcy Code section 503(b)(9). Accordingly, the Debtors reserve all of their rights to dispute or challenge the validity of all claims asserted under Bankruptcy Code section 503(b)(9).

6. **Excluded Assets and Liabilities.** In preparation of the Schedules and Statements, the Debtors may have excluded certain assets and liabilities. Such amounts are, however, reflected on the Debtors' books and records as required in accordance with GAAP. These balances primarily represent general estimates of assets or liabilities and do not reflect specific assets or claims as of the Petition Dates.

7. **Insiders.** Solely for purposes of the Schedules and Statements, the Debtors define "insiders" to include the following: (a) directors; (b) officers; (c) shareholders holding in excess of 5% of the voting shares of the Debtors (whether directly or indirectly); (d) relatives of (a) – (c) (to the extent known by the Debtors); and (e) non-Debtor affiliates. Consistent with Section 10 below, with respect to category (e) of the foregoing, the Debtors have not listed any ordinary course intercompany payments between a Debtor and a non-Debtor affiliate.

Persons listed as "insiders" have been included for informational purposes only. The Debtors do not take any position with respect to: (a) such person's influence over the control of the Debtors; (b) the management responsibilities or functions of such individual; (c) the decision-making or corporate authority of such individual; or (d) whether such individual could successfully argue that he or she is not an "insider" under applicable law, including the federal securities laws and section 101(31) of the Bankruptcy Code, or with respect to any theories of liability or for any other purpose. As such, the Debtors reserve all rights with respect to the foregoing issues.

8. **Intellectual Property Rights.** The exclusion of any intellectual property shall not be construed as an admission that such intellectual property rights do not exist or have been abandoned, terminated, assigned, expired by their terms, or otherwise transferred pursuant to a sale, acquisition, or other transaction. Conversely, inclusion of certain intellectual property shall not be construed to be an admission that such intellectual property rights have not been abandoned, terminated, assigned, expired by their terms, or otherwise transferred pursuant to a sale, acquisition, or other transaction.

9. **Ordinary Course Intercompany Transactions.** In the ordinary course of business, the Debtors engage in various transactions relating to the business relationship between and among

themselves and their non-Debtor affiliates. As an accounting matter, certain of these ordinary course intercompany transactions are memorialized by journal entry, instead of by check or wire payment, and may not be reflected in the Schedules and Statements.

10. **Contracts and Leases.** Nothing contained in or omitted from the Schedules and Statements is or shall be construed as an admission as to the determination of the legal status of any contract or lease, including whether any lease is a true lease or a financing arrangement, whether such contract or lease is an executory contract or unexpired lease, or whether such contract or lease is binding, valid, and enforceable. The Debtors reserve all rights with respect to all such issues. In addition, the Debtors reserve all rights, claims, and causes of action with respect to the contracts and agreements listed in the Schedules and Statements, including the rights to dispute or challenge the characterization or the structure of any transaction or document or instrument.

11. **Classifications.** Listing a claim on (a) Schedule D as “secured”, (b) Schedule E/F, Part 1 as “priority,” (c) Schedule E/F, Part 2 as “unsecured,” or Schedule G as “executory” or “unexpired,” does not constitute an admission by the Debtors of the legal rights of the claimant or a waiver of the Debtors’ rights to recharacterize or reclassify such claims or contracts.

12. **Claims Description.** Schedules D and E/F permit the Debtors to designate a claim as “disputed,” “contingent” and/or “unliquidated.” Any failure to designate a claim on a given Schedule as “disputed,” “contingent” or “unliquidated” does not constitute an admission by the Debtors that such amount is not “disputed,” “contingent” or “unliquidated,” or that such claim is not subject to objection. The Debtors reserve all of their rights to dispute, or assert offsets or defenses to, any claim reflected on their Schedules on any grounds, including, but not limited to amount, liability, validity, priority or classification. Additionally, the Debtors expressly reserve all of their rights to subsequently designate any claim as “disputed,” “contingent” or “unliquidated.” Moreover, listing a claim does not constitute an admission of liability by the Debtors.

13. **Causes of Action.** Despite their reasonable efforts to identify all known assets, the Debtors may not have identified and/or listed as assets in the Schedules and Statements all of their causes of action or potential causes of action against third-parties (and in particular have not identified or listed causes of action arising under the provisions of chapter 5 of the Bankruptcy Code and any other relevant non-bankruptcy laws to recover assets or avoid transfers). The Debtors reserve all of their rights with respect to any cause of action (including avoidance actions), controversy, right of setoff, cross-claim, counterclaim or recoupment; any claim on a contract or for breach of duty imposed by law or in equity; and any demand, right, action, lien, indemnity, guaranty, suit, obligation, liability, damage, judgment, account, defense, power, privilege, license or franchise, in each case of any kind or character whatsoever, known or unknown, fixed or contingent, matured or unmatured, suspected or unsuspected, liquidated or unliquidated, disputed or undisputed, secured or unsecured, assertable directly or derivatively, whether arising before, on, or after the Petition Date, in contract or in tort, in law or in equity, or pursuant to any other theory of law (collectively, “Causes of Action”) they may have, and neither these Global Notes nor the Schedules and Statements shall be deemed a waiver of any claims or Causes of Action or in any way prejudice or impair the assertion of such claims or Causes of Action.

14. **Setoffs.** The Debtors incur certain offsets and other similar rights during the ordinary course of business. Offsets in the ordinary course can result from various items, including, without limitation, pricing discrepancies, returns, refunds, warranties, debit memos, credits, and other disputes between the Debtors and their suppliers and/or customers. These offsets and other similar rights are consistent with the ordinary course of business in the Debtors' industry and are not tracked separately. Therefore, although such offsets and other similar rights may have been accounted for when certain amounts were included in the Schedules and Statements, offsets are not independently accounted for, and as such, are or may be excluded from the Debtors' Schedules and Statements.

15. **Summary of Significant Reporting Policies.** The following is a summary of significant reporting policies:

- (a) **Currency.** Unless otherwise indicated, all amounts are reflected in U.S. dollars.
- (b) **Undetermined Amounts.** The description of an amount as "unknown," "TBD" or "undetermined" is not intended to reflect upon the materiality of such amount.
- (c) **Net Book Value of Assets.** The Debtors do not have current market valuations for all assets. It would be prohibitively expensive, unduly burdensome, and an inefficient use of estate resources for the Debtors to obtain current market valuations for all assets. Wherever possible, unless otherwise indicated, net book values as of the Petition Dates are presented. When necessary, the Debtors have indicated that the value of certain assets is "unknown" or "undetermined." Amounts ultimately realized may vary materially from net book value (or whatever value was ascribed.)

Accordingly, the Debtors reserve all rights to amend, supplement, or adjust the asset values set forth in the Schedules and Statements. As applicable, assets that have been fully depreciated or fully amortized, or were expensed for GAAP accounting purposes, and therefore, have no net book value, are not included in the Schedules and Statements.

- (d) **Totals.** To the extent there are unknown or undetermined amounts included in the Schedules and Statements, the actual totals may be different than the listed totals.
- (e) **Paid Claims.** The Debtors were authorized (but not directed) to pay certain outstanding prepetition claims pursuant to various orders entered by the Bankruptcy Court (collectively, the "First Day Orders"). Except as otherwise indicated, such prepetition claims are generally reflected on the Schedules and Statements without regard to whether or not they have been paid as of the date of filing of these Schedules and Statements or are authorized to be paid under the First Day Orders. To the extent the Debtors have paid or pay in the future claims listed in the Schedules and Statements pursuant to orders entered by the Bankruptcy Court, the Debtors reserve all of their rights to amend or supplement the Schedules and Statements or to take action as is necessary or appropriate to avoid over-payment of or duplicate payments for any such liabilities. Notwithstanding the foregoing,

the Schedules and Statements may inadvertently reflect some of the Debtors' payments of certain claims pursuant to the First Day Orders, and, to the extent an unsecured claim has been paid or may be paid, it is possible such claim is not included in the Schedules and Statements.

- (f) Credits and Adjustments. The claims of individual creditors for, among other things, goods, products, services or taxes are listed as the amounts entered on the Debtors' books and records and may not reflect credits, allowances or other adjustments due from such creditors to the Debtors. The Debtors reserve all of their rights with regard to such credits, allowances and other adjustments, including the right to assert objections and/or setoffs with respect to the same.
- (g) Liens. Property and/or equipment listed in the Schedules and Statements are presented without consideration of any liens that may attach (or have attached) to such property and equipment.

16. Estimates. To prepare and file the Schedules and Statements in accordance with the deadlines established in the chapter 11 cases, the Debtors were required to make certain estimates and assumptions that affect the reported amounts of assets and liabilities and reported revenue and expenses. The Debtors reserve all rights to amend the reported amounts of assets, liabilities, revenue and expenses to reflect changes in those estimates and assumptions.

17. Global Notes Control. In the event that the Schedules and Statements differ from the foregoing Global Notes, the Global Notes shall control.

### **Specific Disclosures With Respect to the Debtors' Schedules of Assets and Liabilities**

**Summary of the Schedules; Schedule D.** The Debtors have listed the full amount (\$75,700,103.97) due on their prepetition secured term loan and revolving loan facilities on the Schedules of all Debtor obligors thereunder. Such amount is also shown as due to each of the four (4) lenders under that facility, but as only a single debt in the Summary and Schedule D total. The Debtors have also listed the prepetition term loan amounts notwithstanding their post-petition refinancing.

**Schedule A/B, questions 6, 7 and 8.** The Debtors' books and records do not generally distinguish between deposits and prepaid amounts and so answers to questions for deposits and prepaid amounts may contain some or all of both.

**Schedule A/B, question 15.** Hobbico Inc.'s Schedule B identifies such Debtor's direct ownership interests in any subsidiary, but excludes its indirect ownership of Revell GmbH. Such ownership is reflected in Hobbico Inc.'s SOFA 25.

**Schedule A/B, questions 39-40.** The Debtors do not bifurcate office furniture from fixtures on their balance sheets, so furniture may include fixtures.

**Schedule A/B, question 55.** The Debtors note that their books and records do not contain values for their real property leases.

**Schedule A/B, question 61.** The Debtors note that the websites relating to a Debtor's business line appear on that Debtor's Schedules. In some instances, such website(s) may in fact be registered to a different Debtor.

**Schedule A/B, question 73.** Only insurance policies with unexpired coverage terms as of the Petition Date for such Debtor are listed. To the extent that one or more Debtors might have rights to coverage under a policy with an expired coverage term, all such rights are expressly preserved notwithstanding the fact such policies have not been listed in response thereto.

**Schedule A/B, question 74.** The Debtors, despite their efforts, may not have listed all of their causes of action against third parties as assets in the Schedules and Statements. The Debtors reserve all of their rights with respect to any causes of action they may have, whether or not listed as assets in the Schedules and Statements, and neither these Global Notes nor the Schedules and Statements shall be deemed a waiver of any such causes of action.

**Schedule E/F; Priority.** The Debtors have not determined whether, and to what extent, certain of the creditors identified on Part 1 of Schedule E/F are actually entitled to priority under section 507 of the Bankruptcy Code. The Debtors reserve the right to assert that claims identified on Part 1 of Schedule E/F are not claims that are entitled to priority.

**Schedule E/F; Intercompany Claims.** The Debtors have presented intercompany claims owing to Hobbico, Inc. from its subsidiaries (including ADL) on an aggregate basis (as between those two Debtors); such aggregate amounts represent the net sum of various transactions between the two entities.

**Schedules E/F.** The Debtors' analysis of potential priority claims is ongoing, and amounts listed as priority claims on Schedule E/F remain subject to such analysis. Amendments will be made to Schedule E/F as necessary. As of the Petition Dates, the books and records reflect that Debtors Estes-Cox Corp. and Tower Hobbies, Inc. have certain liabilities in respect of gift cards. The Estes-Cox liability is \$4,399.29, and the Tower Hobbies liabilities are \$487,196.92 (purchased cards) and \$1,048,200 (promotional cards). Although these liabilities are listed as general unsecured claims, the redemptions and exchanges of such gift cards are ongoing and the Debtors do not know the identities of the holders of such cards. Therefore, the gift card holders are not listed on Schedule E/F. Although reasonable efforts have been made to identify the date of incurrence of each claim, determining the date upon which each claim on Schedule E/F was incurred or arose would be unduly burdensome and cost prohibitive, and therefore, the Debtors do not list a date for each claim on Schedule E/F.

**Schedule G; Executory Nature.** The Debtors have excluded loan documents and professional engagement letters for Schedule G. The Debtors also believe they have only scheduled executory contracts to which a Debtor is a party or may be contractually and/or directly liable to perform. Similarly, for the purposes of the other Schedules and the Statements, no claims have been scheduled for a Debtor that may have benefited directly or indirectly from a contractual relationship to which the Debtor was not a named party.

**Schedule G; Reservation.** The Debtors hereby reserve all of their rights to dispute the validity, status or enforceability of any contract, agreement, or lease set forth on Schedule G that may have

expired or may have been modified, amended, and supplemented from time to time by various amendments, restatements, waivers, estoppel certificates, letters and other documents, instruments, and agreements which may not be listed on Schedule G. Certain of the leases and contracts listed on Schedule G may contain certain renewal options, guarantees of payment, options to purchase, rights of first refusal, and other miscellaneous rights. Such rights, powers, duties and obligations may not be set forth on Schedule G. Certain of these executory agreements may not have been memorialized in writing and/or could be subject to dispute. In addition, the Debtors may have entered into various other types of agreements in the ordinary course of their business, such as easements, right of way, subordination, non-disturbance and attornment agreements, supplemental agreements, amendments/letter agreements, title agreements and confidentiality agreements. Such documents may not be set forth on Schedule G. The Debtors reserve all of their rights to dispute or challenge the characterization of the structure of any transaction, or any document or instrument (including without limitation, any intercompany agreement) related to a creditor's claim. Certain of the contracts, agreements, and leases listed on Schedule G may have been entered into by more than one of the Debtors. In the ordinary course of business, the Debtors may have entered into agreements, written or oral, for the provision of certain services on a month-to-month or at-will basis. Such contracts may not be included on Schedule G. However, each Debtor reserves the right to assert that such agreements constitute executory contracts. Finally, since filing these cases, the Debtors have obtained Court approval to reject certain leases by order dated February 16, 2018. The Debtors have omitted these rejected agreements from Schedule G.

**Schedule G; No admission.** Listing a contract or agreement on Schedule G does not constitute an admission that such contract or agreement is an executory contract or unexpired lease. The Debtors reserve all rights to challenge whether any of the listed contracts, leases, agreements or other documents constitute an executory contract or unexpired lease, including if any are unexpired non-residential real property leases. Any and all of the Debtors' rights, claims and causes of action with respect to the contracts and agreements listed on Schedule G are hereby reserved and preserved.

**Schedule H; Insurers.** The Debtors have not listed each past and current insurer of a Debtor in response to Schedule H. The exclusion of an insurer on Schedule H does not mean such insurer is not necessarily a co-debtor in fact and the Debtors reserve their rights to assert any such claims against insurers. Likewise, the Debtors have not listed co-defendants in any litigation pending against the Debtors, but reserve all rights with respect thereto.

### **Specific Disclosures With Respect to the Debtors' Statements of Financial Affairs**

**SOFA 3.** The payments listed in the Hobbico, Inc. SOFA 3 include payments made on behalf of Debtors United Model, Inc. and Tower Hobbies, Inc. to their respective creditors. In addition, Hobbico, Inc. has made certain wire transfers on behalf of Debtor Great Planes Model Manufacturing, Inc. Payments to the professionals listed in response to question 11 of the Statements are omitted from the responses to this question, as are payments to insiders listed in response to question 4 of the Statements. Additionally, in certain instances it is possible that the reason for payment may have varied from that presented in response to question 3.

**SOFA 4, 28, 29 and 30.** The listing of any person or entity is not intended to be nor shall it be construed as a legal characterization of such party as an insider, and does not act as an admission of any fact, claim, right or defense, and all such right, claims and defenses are hereby reserved. The Debtors utilized the definition of “insider” in 11 U.S.C. 101(31)(B). Additionally, the responses to questions 4 and 30 generally do not include historical intercompany transfers between Debtor entities, and may not include certain expenses charged directly to corporate credit cards. Finally, those payments listed in response to question 4 are included in the response to question 30.

**SOFA 6.** In the ordinary course of business certain of the Debtors’ creditors, such as utilities, may have setoff all or part of unpaid invoices against items such as security deposits or retainers previously provided to such creditors by the Debtors. These creditors are not listed in response to question 6. Likewise, bank fees deducted from bank accounts of the Debtors are not listed in response to question 6. Additionally, in the ordinary course of business the Debtors may record intercompany non-cash accounting entries on their respective books and records. To the extent that these accounting entries could be considered setoffs, such setoffs are not listed in response to question 6.

**SOFA 17.** Strictly speaking, the employees of all of the Debtors (other than ADL) are employed and paid by Hobbico, Inc. even though many perform services for other Debtors. All such employees are eligible to participate in the Hobbico, Inc. ESOP and 401(k) plan. For this reason, all the U.S. Debtors other than Hobbico, Inc. have answered “No” to SOFA 17.

**SOFA 20.** Additional off-site storage not listed in response thereto may be utilized, including tooling in which the Debtors have an interest that is utilized by third-party manufacturers of the Debtors.

**SOFA 26(a) – 26(c).** The Debtors have identified the Chief Financial Officer, Controller and certain others in connection with the audit, compilation, review and/or maintenance of the Debtors’ books and records, but other finance and accounting personnel of the Debtors who have assisted in the foregoing have been omitted from the responses to these questions. The Debtors did not include certain firms or individuals that reviewed the Debtors’ books of account and records at the request of third parties.

**SOFA 26(d).** The Debtors provided financial statements in the ordinary course of business to certain parties for business, statutory, credit, financing, and other reasons. Recipients have included regulatory agencies, financial institutions, investment banks, creditors, and their respective legal and financial advisors. Although the Debtors from time to time may have furnished financial statements to parties other than those listed, it is not the practice of the Debtors to maintain exhaustive records of such transmittal. Consequently, the Debtors cannot provide an exhaustive list of all entities that have received one or more financial statements from the Debtors in response to question 26(d). Finally, although the Debtors have previously provided financial statements to certain prospective purchasers of the Debtors or their assets or other possible financing sources, the Debtors believe they may be contractually prohibited from publicly disclosing the identity of these recipients. For this reason, those responses to question 26(d) have been omitted.

With respect to question 27 of the Statements and Schedule A/B, questions 18-23, certain of the Debtors' locations do periodic cycle counts rather than full annual physical inventories. The Debtors have only listed physical inventories in response to question 27. Additionally, the Debtor's book value of inventory is generally calculated using FIFO accounting and the lower of cost or market value. Specifically, the inventory is booked at cost and, in certain instances, reserves are created for where the Debtors believe market value of the inventory has decreased below cost. In these instances, the book value of inventory on the Statements and Schedules is presented net of reserves for devalued inventory.

**SOFA 30.** The Debtors have omitted de minimis expense reimbursements, such as reimbursement of working travel costs, from the response to question 30 of the Statements. As noted in each Debtor's response to SOFA 30, the amounts listed there were paid by Debtor Hobbico, Inc., and not by any other Debtor. In other words, the recipients listed in SOFA 30 received such payment only once, not eight times.

The Debtors and their employees, agents, attorneys and other professionals do not guarantee or warrant the accuracy, completeness, or currentness of the data that is provided herein and shall not be liable for any loss or injury arising out of or caused in whole or in part by the acts, errors or omissions, whether negligent or otherwise, in procuring, compiling, collecting, interpreting, reporting, communicating or delivering the information contained herein. While every effort has been made to provide accurate and complete information herein, inadvertent errors or omissions may exist. Official Form 206A/B

**Schedule A/B: Assets — Real and Personal Property**

12/15

Disclose all property, real and personal, which the debtor owns or in which the debtor has any other legal, equitable, or future interest. Include all property in which the debtor holds rights and powers exercisable for the debtor's own benefit. Also include assets and properties which have no book value, such as fully depreciated assets or assets that were not capitalized. In Schedule A/B, list any executory contracts or unexpired leases. Also list them on *Schedule G: Executory Contracts and Unexpired Leases* (Official Form 206G).

Be as complete and accurate as possible. If more space is needed, attach a separate sheet to this form. At the top of any pages added, write the debtor's name and case number (if known). Also identify the form and line number to which the additional information applies. If an additional sheet is attached, include the amounts from the attachment in the total for the pertinent part.

For Part 1 through Part 11, list each asset under the appropriate category or attach separate supporting schedules, such as a fixed asset schedule or depreciation schedule, that gives the details for each asset in a particular category. List each asset only once. In valuing the debtor's interest, do not deduct the value of secured claims. See the instructions to understand the terms used in this form.
